

MANAGING WEEDS

In Your CRP Lands

Are you battling weeds in your CRP lands and feeling like you're losing the battle? Confused by potential mowing and spraying options and what is allowed within your CRP contract?

The Lafayette County Land Conservation Department and Farm Service Agency in cooperation with UW-Extension, is offering a **FREE field day** to address weed management and concerns in your CRP lands.

WHEN: Thursday August 12, 2010 9:30-11:00 AM

WHERE: Ellefson Farm
10145 Lancaster Road
Darlington, WI

Directions: Highway 81 East from Darlington for 5.1 miles.
Turn right onto Lancaster Rd. and continue for 0.7 miles to the field day site.

Field Day will include:

- UW-Extension Weed Specialist, Mark Renz, addressing control of wild parsnip, thistle, and other weeds
- Mid-term management of smooth brome in CRP
- Printed materials outlining herbicide and mowing effectiveness on various weeds
- Monica Yates-Olsen, Lafayette County FSA, discussing weed management within the CRP contract guidelines
